

## Environment and Climate Action - LIFE Programme

### „Circular Economy and Quality of Life“

**Project budget:** € 2 000 000 – 10 000 000

**Funding rate:** 60 %

#### **Funding can be used for:**

Development, demonstration and promotion of innovative techniques, methods and approaches and/or best practices related to (non-exhaustive lists):

- **Circular economy and Waste:**
  - separate collection and recycling of waste;
  - identification, tracking, separation, prevention and decontamination of waste containing hazardous substances.
- **Water:**
  - safe and efficient use of water resources;
  - marine and coastal water management;
  - treatment of drinking water and urban wastewater.
- **Soil:**
  - technologies for restoration, protection and improvement of soil quality.
- **Noise:**
  - innovative solutions for noise reduction in densely populated urban areas.
- **Air:**
  - reduction of air pollutants and emission of particulate matter.
- **Chemicals:**
  - preventing and reducing the impact of chemical production on environment and human health
- **Bauhaus Initiative:**
  - reducing the environmental impact of new buildings and new architectural approaches for maintaining and restoring biodiversity

#### **Project results:**

- reducing resource consumption and facilitating the transition to a sustainable, circular, non-toxic, energy efficient and climate resilient economy;
- reduction of waste generation and improvement of waste management;
- protection of water resources, air, soils;
- reducing the production, use and emissions of hazardous chemicals;
- reduction of exposure to harmful noise levels.

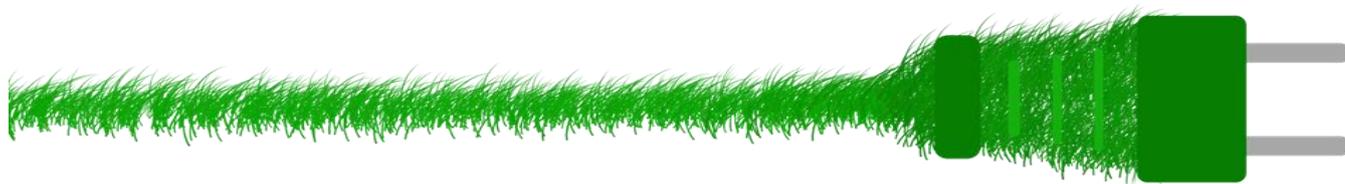

#### **Eligible costs:**

- Equipment costs: full cost + depreciation;
- Land purchase costs: subject to specific conditions;
- Subcontracting costs;
- Indirect cost flat-rate - 7% of the eligible direct costs;
- Personnel costs;
- Travel and subsistence unit cost;
- Costs for financial support to third parties: maximum total amount for financial support to third parties 100.000 €; maximum amount per third party EUR 20.000 €

**Deadline for submission: 30 November 2021 – 17:00:00 CET (Brussels)**
